

Because a person can find it difficult, if not impossible, to be eligible for the examination to practice as a Registered Technologist under certain conditions, please answer the following questions.

1. Have you ever been convicted of a felony or a misdemeanor? Yes No
2. Do you have a felony charge pending? Yes No

If yes on either of these questions, please contact the American Registry of Radiologic Technologists at 651.687.0048. The ARRT will determine if you are eligible to apply to the program. For more information, visit www.arrt.org.

On a separate sheet of paper, please answer the following question:

1. Give your reasons for choosing radiography as a career.
2. The radiography courses are very time intensive. What plans have you made to prepare to meet this schedule?
3. What are your plans and aspirations for the future?

Please attach to the application.

Please provide three letters of recommendation (excluding family members) and attach to the application.

Eight hours of observation at area health care facilities are required for application to the radiography program. A TB skin test must accompany this application. You will be contacted by the Radiography program secretary to schedule your observation.
